The Title : **The Meaning of Sadness in Sam Smith's Songs  
through The Concept of Emotion**

Sadness is a normal temporary emotion. Sadness is not always a negative emotion, precisely if there is no sadness in a person it will result in a loss of emotional balance that affects a person's behavior. In this study the writer will analyze songs by Sam Smith. His songs tell of sadness caused by a breakup and despair. The songs lead to the disclosure of disappointment, despair, and regret. The writer tooks this theme because the writer looks the lyrics of the song has a deep meaning and spirit that same with poetry. Judul : **The Meaning of Sadness in Sam Smith's Songs  
through The Concept of Emotion**

Kesedihan adalah emosi sementara yang normal. Kesedihan bukan selalu emosi negatif, justru jika tidak ada kesedihan di dalam diri seseorang maka akan mengakibatkan hilangnya keseimbangan emosi yang berpengaruh pada tingkah laku seseorang. Dalam penelitian ini penulis akan menganalisis lagu-lagu karya Sam Smith. Lagu-lagunya bercerita tentang kesedihan yang disebabkan oleh putus cinta. Lagu-Lagunya mengarah kepada pengungkapan tentang kekecewaan, putus asa, dan penyesalan. Penulis mengambil tema ini karena penulis melihat lirik lagu memiliki makna dan semangat yang mendalam yang sama dengan puisi. Untuk menganalisis lagu-lagu ini, penulis menggunakan teori sastra (pengkajian puisi) dan konsep emosi: sadness dengan pembuktian menggunakan ekspresi verbal dan nonverbal.
