Faculty of Humanities
University of Darma Persada

Background: Gratitude is a desire to express thankful feeling. Thanking is the one of speech acts which has interesting aspects to be investigated, because it happens in people's daily life when people help or give us a kindness or a favor. Thanking is the one of the speech acts frequently and abundantly utilized in human interactions. People give thanks in an assortment of occasions and situations in their daily life communications with others.

Objective: This study conducts to explain the gratitude strategies and the function of the gratitude strategies itself used by the characters in *Going in Style* movie. This study also finds out the expressions of gratitude used by the characters of the movie itself.

Methods: Qualitative method is used to analyze the gratitude strategies, the functions of gratitude itself, and the expressions of gratitude this movie. the use of it is more appropriate for the writer because the source of the data is only from this movie by collecting the data and analyze it

Benefits: This research expected can be beneficial. This research can be used by the readers especially the student of english department to give valuable contribution about the gratitude strategies, the function of gratitude itself, and expressions. Finally this research will give the information for the next researcher that is interested to conduct the same research.

Research Finding: the theories are used in this research to explain the gratitude strategies and the functions of gratitude itself and find out the gratitude expressions which are used by the characters of *Going in Style* movie.

Conclusion: this study finds three of gratitude strategy are used by the characters of *Going in Style* movie. and find the most function of gratitude strategy's used by the characters is acknowledging a small/major favor. This study also finds there are seven expressions of gratitude which is used by the character in the movie

Pen:lllt rttct of Abilities Meesn:

Percentage of items ≤ 10 for which the test statistic was ≤ 10 for the null hypothesis. The test statistic was calculated as the ratio of the observed mean to the expected mean under the null hypothesis. The test statistic was calculated for each item and for each of the 1000 simulations. The test statistic was calculated for each item and for each of the 1000 simulations. The test statistic was calculated for each item and for each of the 1000 simulations.

The background of the slide features a collage of images. On the left, there are three dark blue rectangular boxes with white text, stacked vertically. The top box contains the word "Communication", the middle box contains "Gratitude strategies", and the bottom box contains "Going in Style". To the right of these boxes is a large, stylized graphic of a red and white striped awning or umbrella. Further to the right is a photograph of three men standing in front of a height chart. The man on the left is wearing a blue jacket and a cap, the man in the middle is wearing a blue shirt and a hat, and the man on the right is wearing a grey jacket and a cap. The height chart shows measurements from 4'0" to 6'0". Above the photograph is the text "GOING IN STYLE" in large, bold, blue letters, with the tagline "YOU'RE NEVER TOO OLD TO GET EVEN." in smaller, blue letters below it.

BACKGROUND OF THE RESEARCH

- Communication
- Gratitude strategies
- Going in Style

GOING IN STYLE
YOU'RE NEVER TOO OLD TO GET EVEN.
